Dear Diane,

Thank you for traveling to Bristol to help us make DOUGIE'S ROOM. Filmmaking is truly a collaborative effort and your help was invaluable. The time and energy you invested in this project is greatly appreciated and will certainly be evident in the finished product.

We were impressed by the entire cast and crew's dedication to the art of filmmaking and combined determination to see the shoot successfully completed. We felt lucky to have assembled such a fine cast. Everyone's talents blended together to create a winning combination. It was an intense two weeks and everyone seemed to put their heart and soul, plus some blood, sweat and tears into the making of DOUGIE'S ROOM. You were a great Amanda Campbell. Your script and character study and preparation before arriving made your performance crisp and real. We appreciate the time and energy you put into this project. It was critical to the overall success of the film.

Thank you again for everything you did to help make DOUGIE'S ROOM a success. We also appreciated your willingness to pitch in with whatever needed to be done. We will keep you posted on the status of DOUGIE'S ROOM and we wish you good luck on all your future projects.

Sincerely,
